**KANSAS STATE
OFFICIAL CHAPTER
NEWSLETTER**

Volume I, Issue I **Aug. 2003**

Well, the title needs work, but our intent is good. The purpose of this newsletter is supply information about the Kansas State chapter of TRIANGLE, particularly to alumni. Like the title, the format is a work in progress. Here it goes.....

<u>HEADLINES</u>	<u>Page</u>
Current Events	2
Last Spring's Membership Boost	2
Greek Advisor Status	2
FOOTBALL	3
National Webpage Update	3
Looking for Wichita Alumni	3
<u>About this Newsletter</u>	<u>4</u>

Brought to you by:

Tom Ball	Adam Boutz
Alex Darby	Eric Goff
Willis Jackson III	Matt Jones
Brian McSpadden	Dustin Wilson

Current Events

Brother Aaron Fish has graduated from Kansas State with a degree in Hotel and Restaurant Management. We will miss him. But not as much as we will miss his grilling.

Brother Joe Rice is set to wed Kelly Price this August in what is sure to be the social event of the season. We wish them both the best. Condolences can be sent to joe__@msn.com.

If you are an alumnus and have an important upcoming social event, please let the Active organization know. (kstate@triangle.org)

Last Spring's Membership Boost

Last spring we initiated two pledge classes. The first class was Adam Boutz and Dustin Wilson. The second was Brian McSpadden and Willis Jackson III. This represents part of the changing order in the chapter. It had been a while since we had initiated a pledge class. This has given the chapter a much needed infusion of young blood and we see this as a sign of things to come.

Greek Advisor Status

This section was originally titled "New Greek Advisor" and was supposed to detail last semester's retirement of Barb Robel, a staple of the K-State Greek community, and her replacement by Angie Goodson. Unfortunately, it seems that due to personal reasons, Angie has resigned her position as Coordinator of Greek Life. This information has only recently surfaced and we will have to wait for details.

FOOTBALL

It's that time again. The K-State football season kicks off the season Saturday, August 23rd against California at Arrowhead Stadium. Kick-off is at 6:45. For the next four games, our opponents are less than stellar and the Active organization invites any alumnus to contact us and to come and enjoy the game with us, as tickets will be easy to come by. There is also a very good chance that we will have a reserved parking pass for the first four games. More information on the rest of the season will be available later. To keep up on times as they are posted, check <http://www.kstatesports.com>.

National Webpage

At Convention this year, the new national webpage was displayed: www.triangle.org. It has a beautiful layout and user-friendly design that make it a significant improvement over the previous model. There is also an added bonus. On the main page there is a log in option that will register you with E-Greek. This is an online directory that has tremendous potential for connecting the lives of all Triangles, even those we haven't seen in years. The Active organization asks all alumni to please register; we think you will see the benefits.

Looking for Wichita Alumni

After meeting with several of the Oklahoma chapter at National Convention, a trip down to OK was tentatively planned. We decided that Saturday, October 11th, when our football team would be continuing its undefeated season at Oklahoma State would be a good day for it.

For the past year, we have been remarking that, although we semi-regularly see a number of alumni from Kansas City, alumni from Wichita are kept somewhat “out of the loop.” We are looking for Alumni from the Wichita area that would be interested in a dinner and meet and greet on Friday, October 10th. Please send the Actives the names of any you think would be interested in attending.

(kstate@triangle.org)

About this Newsletter

Our plan is for this to be a monthly newsletter. Please feel free to send any comments or questions regarding this newsletter or anything else to kstate@triangle.org.

Highlights from next month:

- National Convention
- Chapter Webpage
- Chapter 5 Year Plans
