

Student Success Website Edit Request Form

The Student Success Communications and Marketing Coordinator will review your request and make any edits to the Student Success Website, including the homepages, menu, academic advising, navigate, peer leadership, and other internal initiative sites. Please submit this form to morgangreene@ksu.edu.

Tips for website edits:

- If you are editing an existing page, please consider the format of the page. Any edits you request should match that current format. If links or documents have descriptions, additional links or documents should also have descriptions.
- Consider the best format for your information.
