

NAVIGATE | I NEED HELP

Get academic and well-being support through Navigate. Help with what you need, when you need it.

Have a question and don't know where to get help? Use the "I Need Help" feature in Navigate to quickly connect to campus resources to get answers to your questions.

- 1 Log in to Navigate on your computer or cellphone. Download the free app or visit k-state.edu/navigate. You will need your eID and password to sign in.
- 2 Access "I Need Help" alerts from the Navigate homescreen, or by clicking the rocketship shortcuts at the bottom of your screen. The "I Need Help" icon is a green waving hand.
- 3 Create an "I Need Help" alert. Using the drop down menu, select a reason you are creating the alert, and provide additional comments related to your concerns. Click submit.
- 4 Create additional alerts as needed, so you can get support in the areas you need it.
- 5 After submitting your request(s), you will be contacted by the appropriate campus resource within 2 business days. From there, K-State staff will provide individualized support related to your specific needs.
