

K-State Academic Program Review & Revitalization (APRR)
2024 Report Outline

Note: A link to the Power BI data is available in the Power App.

Screen 1: Program Demographics

Choose program demographics from dropdown menus.

Add any corrections here (open response)

Screen 2: Strengths

What are 1-3 strengths of your degree program? Please reference the Power BI and any additional data that support these strengths.

Screen 3: Challenges

What are 1-3 challenges of your degree program? Please reference the Power BI and any additional data that support these challenges.

Screen 4: Last Year's Goals Review

Review last year's goals and indicate what changes were made in response. Did the action items attached help obtain these goals or did you take a different approach?

Screen 5

Instructions for New Goals and Action Items:

Please add one goal and action item for this APRR cycle on the next screen.

A second and third goal may also be included by clicking the green "Add Another Goal" button.

When finished adding your goals, click "Next".

Screen 6: Goal & Action Item 1

From your conversations regarding the strengths and challenges of your degree program, state your first goal.

Explain your action items to achieve this goal.

Screen 7: Goal & Action Item 2

From your conversations regarding the strengths and challenges of your degree program, state your second goal.

Explain your action items to achieve your second goal.

Screen 8: Goal & Action Item 3

From your conversations regarding the strengths and challenges of your degree program, state your third goal.

Explain your action items to achieve your third goal.

Screen 9: Assessment

What is your overall assessment of your degree program? (Choose one option)

- The program is vital and/or flourishing
- The program is fine, but there are some key areas we could improve
- The program needs revitalization

Describe faculty involvement in the conversations about your degree program. (Choose one option)

- All Involved
- Majority Involved
- Select Committee
- One Responsible

Screen 10: Additional Information

What additional information would you like to share about your degree program?

Screen 11: Funding

The APRR process provides an opportunity for every program to apply for APRR investment funds. These funds assist programs to drive innovative curriculum and continuous program improvement. The entire process is designed to support the long-term financial viability of K-State by assuring we meet contemporary student and market demands.

Do you plan to apply for APRR Investment Funds? (Choose one option)

- Yes
- No
- Maybe

Screen 12: Review & Submit

Summary page and submit report
