

Our Mission

To provide the theoretical and research base to prepare graduates for managerial, educational, or research positions in foodservice and hospitality management organizations.

Our Vision

The Hospitality Management Department at Kansas State University will be an internationally recognized program for preparing the next generation of leaders in their respective professions.

At Kansas State, students are...

A Priority

Graduate faculty collaborates **with students** to conduct applied research and disseminate findings through scholarly publications and presentations.

Flexibility in planning the program of study allows students to meet **personal and professional** objectives while enhancing departmental research.

The program provides a **variety** of research opportunities in foodservice, food safety, lodging, event and meeting management, and dietetics education to meet **each student's professional goals**.

Growing

To be globally recognized by • • • :

- prospective students as a top hospitality program
- industry leaders for preparing the next generation of hospitality leaders
- peer-institutions for delivering a top quality graduate education

Family

Supportive faculty and **peer relationships** foster an environment where students can gain the knowledge, skills and confidence for leadership positions in their chosen field.

Manhattan, Kansas prides itself on being a **strong community** that welcomes anyone

Student organizations like our graduate club are available on campus with members **eager** to welcome new students.

Resources are available on campus with friendly staff to help with **all** student needs.

EMAW is our motto: **Every Man A Wildcat**. This means every person is welcome into our family.

So how do I apply?
