

NOTICE TO ALL EMPLOYEES AND PUBLIC NOTICE OF INTENT TO FILE
APPLICATION FOR PERMANENT ALIEN EMPLOYMENT CERTIFICATION

Pursuant to Section 20 CFR 656.10, you are hereby notified of the intent to file an application for permanent alien certification for the following position:

Teaching Assistant Professor - Computer Science in Manhattan, Kansas

DUTIES: Teach undergraduate courses in the general computer science area and advise students. Teach courses in computational core and applied Computer Science. Develop and teach on campus and online courses in support of the Computational Core and Integrated Computer Science programs. Contribute to education, research/creative performance/scholarship, extension and service/outreach functions of the Computational Core and Integrated Computer Science programs.

This position is eligible for hybrid worksite. Work is performed partially remote and partially on employer premises or designated assignment location. The selected candidate will be expected to be onsite for classes, office hours, and required meetings. However, the candidate also has the option to work from home during other parts of the week.

MINIMUM REQUIREMENTS: PhD in Computer Science or closely related field. Demonstrated ability to teach undergraduate classes in the general computer science area.

Must have proof of legal authority to work in the United States.
