

Running / Viewing / Printing Reports

Payroll Summary by Department

This report provides a summary of hours worked, overtime paid, leave hours, total hours paid, gross pay, etc. for each employee within the selected department for the pay period. This report is an excellent tool for viewing recorded time and leave and may be printed at any time and for any pay period.

The report parameters page includes radio buttons for selecting on-cycle, off-cycle or both on-cycle and off-cycle data to be displayed within the report.

1. Access HRIS Report

Time and Leave > Reports > Time Reports > Payroll Summary by Department

2. Select Run Control ID

- Enter an existing Run Control ID or click on the "Search" button to produce a list of Run Control ID's ... search results will appear. Select a Run Control ID from the list. <Enter>

The screenshot shows a web interface for searching Run Control IDs. At the top, it says "Payroll Summary By Department" and "Enter any information you have and click Search. Leave fields blank for a list of all values." Below this are two tabs: "Find an Existing Value" (selected) and "Add a New Value". Under the "Find an Existing Value" tab, there is a "Search by:" label followed by a dropdown menu set to "Run Control ID begins with" and a text input field containing "AMD". Below the input field are two buttons: "Search" and "Advanced Search". At the bottom of the form, there are links for "Find an Existing Value" and "Add a New Value".

If a RUN CONTROL ID DOES NOT EXIST, repeat Step 1. Select "Add a New Value" tab or link. A "Run Control ID" edit box will appear. Enter a three-digit Run Control ID. Select the "Add" button. Note: This procedure will only need to be done ONE TIME.

The RUN CONTROL ID is used to define the parameters for running the report. Once the Run Control ID is created, it may be reused over and over for any HRIS report.

HRIS Training Tip: *When creating a RUN CONTROL ID, keep the Run Control ID short and use only alphabetical letters or numbers. Some characters (Examples: &, %, *, etc.) take on a special meaning that is not intended and cause problems. If you have a Run Control ID that includes a special character, please discontinue using it.*

Payroll Summary by Department

The Report Request Parameters page will appear.

3. Complete the Report Request Parameters

Report Request Parameters

Pay Period End Date: 11/14/2009

Through Pay End Date: 12/12/2009
