PIVOT DATABASE

The University subscribes to a grants database called Pivot which is designed to help faculty and other researchers, staff members, and students find funding opportunities and potential collaborators for research and scholarly endeavors, especially international individuals!

- To set up an account, click https://pivot.proquest.com/funding_main and sign in with your K-State credentials. YOU MUST USE A K-STATE EMAIL ADDRESS TO ACCESS THIS SITE.
- After entering your name and email address, click through the confirmation email that is sent to you.
- Be sure to use the “graduate” or “undergraduate” student filter and set up a profile that fits you.
- Expert’s TIP: Instead of just searching with a keyword, use “advanced search” and browse keywords for good matches.
