

LIDIA RAGLAND- MODERN LANGUAGES AMBASSADOR

Hello my name is Lidia Ragland and I am from Prairie Village, Kansas. I am currently a junior studying Kinesiology with a minor in Spanish. I love rom coms and running. Also, I joined the Modern Language department for my love of the Spanish Language. I think learning a language is a great way to widen your world view and get an insight into other cultures. Outside of the ambassadors program, I am involved in the International Buddies and Pre-Physicians Assistant Club as well as serving as a student ambassador for the Kinesiology department. In the future, I plan to study abroad in Salamanca, Spain in Summer 2022. After graduation I plan to apply to Physicians Associate school.
