

Noteworthy

Agronomy

Jianming Yu and colleagues published "Major Regulatory Genes in Maize Contribute to Standing Variation in Teosinte (*Zea mays* ssp. *parviglumis*)," *Genetics*, Vol. 177, No. 4.

Yu and colleagues published "Genetic Design and Statistical Power of Nested Association Mapping in Maize," *Genetics*, Vol. 178, No. 1.

Apparel, textiles and interior design

Barbara G. Anderson, Peggy L. Honey and **Michael T. Dudek** published "Interior Design's Social Compact: Key to the Quest for Professional Status," *Journal of Interior Design*, Vol. 33, No. 2, December 2007.

Architecture

Mick Charney presented "The Architect, The Apprentice, His Wife, and Her Mother; Following The Trail of a True Kansas Tale," Hawaii International Conference on Arts and Humanities, Jan. 11, Honolulu.

Biology

Ruth Welti and colleagues published "Differential Degradation of Extraplasmidic and Plasmidic Lipids During Freez-

ing and Post-freezing Recovery in *Arabidopsis thaliana*," the *Journal of Biological Chemistry*, Vol. 283, No. 1, January 2008.

Anthony Joern and colleague published "Coexisting Generalist Herbivores Occupy Unique Nutritional Feeding Niches," *Proceedings of the National Academy of Sciences of the United States of America*, Jan. 28-Feb. 1.

Katsura Asano and colleagues published "Eukaryotic Initiation Factor (eIF) 1 Carries Two Distinct eIF5-binding Faces Important for Multifactor Assembly and AUG Selection," the *Journal of Biological Chemistry*, Vol. 283, No. 2, January 2008.

Chemistry

Mark D. Hollingsworth and colleagues published "Hidden Degrees of Freedom in Aperiodic Materials," *Science*, Vol. 319, January 2008.

Clinical sciences

Mike Apley and **Brian Lubbers** presented "In Vitro Characteristics of Oxytetracycline in a Hollow Fiber Infection Model," *Clinical and Laboratory Standards Institute-VAST*, Jan. 24, Tampa, Fla.

Chuck Rice, agronomy, was elected as a member of the American Association for the Advancement of Science's electorate nominating committee of the section on agriculture, food and renewable resources. His term will begin Feb. 19 and will run through Feb. 21, 2011.

The following K-State faculty members presented at the North American Veterinary Conference, Jan. 19-23, Orlando, Fla.:

Brad White, "Vaccinations in Beef Cattle."

Greg Grauer, "Mature Mysteries: Old Age Ain't No Place for Sissies," "Nutritional and Fluid Therapy Management of Acute and Chronic Kidney Disease," "Staging and Management of Chronic Kidney Disease," and "Management of Protein-

uria and Hypertension Associated with Chronic Kidney Disease," "Heart Failure and Chronic Kidney Disease: When Worlds Collide."

The following K-State faculty members presented at the Oklahoma Veterinary Medical Association meeting, Jan. 25, Tulsa:

Brad White, "Beef Calf Management."

Bob Larson, "Future of Rural Practice," "What Are New Graduates Looking for in a Practice" and "Heifer Development as a Practice Builder."

Mike Apley presented "Characterizing and Understanding Pain in Food Animals," "Pharmacological Considerations Related to the Use of NSAIDs in Treatment of Inflammatory Disease Processes and for Alleviation of Pain in Food Animals," "Pharmacological Considerations Related to the Use of NSAIDs in Treatment of Infectious Disease Processes in Food Animals," "Rational Application of Antimicrobials in Food Animals: Using Antimicrobial Susceptibility Testing," and "Putting It All Together in Therapeutic Protocols for Your Clients," Ontario Veterinary Medical Association, Jan. 31.

Bob Larson presented "Pneumonia in Cattle," "Strategies to Improve Stocker Health and Performance," "Mass Medication for Incoming Cattle," "Economics of First-line BRD Treatment Selection," "The Economics of Diagnostic Testing in Stocker Operations," "Impact of Pre-Weaning Vaccination Programs on Post-Weaning Performance" and "Mass Medication for Incoming Cattle," Mid-South Stocker Conference, Feb. 12, University of Tennessee, Knoxville.

Controller's office

Fran Willbrant has been appointed to the annual meeting program committee of the Central Association of College and University Business Officers.

Economics

E. Wayne Nafziger published "Capitalism and Commercialization: Privatization," *New Encyclopedia of Africa*, Vol. 1, 2008, edited by John Middleton and Joseph C. Miller.

English

The following K-State faculty members presented at the Victorian Interdisciplinary Studies Association of the West-
