STRAN 550: Practicing Social Justice

Dr. Broyles-Gonzalez

Online course: 3/24/25-5/16/25

What can we learn from social justice organizers in MHK and throughout the state and region? What wisdom, hard truths, and lessons learned do they have to share about how to create lasting change in our communities? This class is an applied and immersive experience where students will get to know and work closely with different local social justice organizations & nonprofits each week.

This class fulfills: K-State 8 Human Diversity within the U.S. & Social Sciences; it is a required course for STRAN majors, but is open to everyone who wants to be a changemaker!
