

Assistant Superintendent opening at Wichita Country Club

Established in 1900, Wichita Country Club is considered the oldest country club west of the Mississippi River to have golf from inception. The Club is viewed as one of the premier clubs in the Midwest as it epitomizes the game at its best. Playing conditions are the top priority which requires turf managers to apply innovative strategies and ideas.

Wichita Country Club is excited to announce the exceptional career opportunity of Assistant Superintendent. This position will report directly to the Golf Course Superintendent and be a vital part of the agronomy team in keeping our course in championship condition on a consistent basis. The energetic and self-motivated candidate should possess a strong desire to be a Superintendent in the future.
