

University Support Staff Opportunity Fund Policies and Procedures

University Support Staff Opportunity Fund – Funds are donated by the K-State community (faculty, staff, students and friends of K-State) through the annual All-University Campaign. Donations are deposited into a foundation account (C-21151) and managed by the Office of the Vice President for Administration and Finance (VPAF). Funds are donated to help with academic achievement, professional development or to reward outstanding leadership on behalf of university support staff.

Any K-State university support staff may request a personal reimbursement of qualified expenses, as detailed below. The number of awards may be limited due to the number of requests received and/or the amount of funds available. Original receipts must be provided for all personal reimbursement requests. Opportunity Funds may be awarded to university support staff for the following circumstances:

1. **Text books** for university support staff enrolled in a class taken for academic credit for up to 50% of qualified expenses, not to exceed \$100. The applicant must provide the original textbook(s) receipt and a copy of their class schedule with the application form.
2. **Professional Development** - Expenses incurred by university support staff for seminars or conferences attended to improve current work skills. Requests should be limited to items the employee's department will not reimburse. The reimbursement is limited to \$100.
3. **University Support Staff Opportunity Fund Meritorious Service Award (\$200)** - Funds may be awarded to university support staff who demonstrate extraordinary effort in their position, service to the university community, and/or exceptional leadership which proves to be a valuable service to the K-State community. Self-nomination is prohibited. Faculty, staff or students may nominate a university support staff for this award.
